Internet meme · Comics · Funny · History · Humor · Quotes · Videos., low financial literacy, poor access to and utilization of health services and the lack of healthy community environments are all factors that contribute to increased racial and ethnic disparities. What is clear is that health disparities are persistent and an ever-growing problem in the United States. Only by addressing health and health care disparities among racial and ethnic groups can we effectively improve health care delivery. Research that quantifies the extent of racial and ethnic disparities and explores the underlying causes and develops remedies to remediate these disparities is urgently needed. We need to effectively reduce the health disparities among racial and ethnic minorities and thereby improve the health and quality of life for all Americans. \*\*Source of Support:\*\* Nil \*\*Conflict of Interest:\*\* None declared Q: ReactJS - Accessing Components that are not mounted in the DOM How would you access the data contained in a React component that has not 4bc0debe42
